Important: This is a concise knowledge-base summary generated from the public Daraz Pakistan source page. It is not an official Daraz-issued PDF and should not replace the live source.

- Delivery and order processing are governed by Daraz's terms and applicable product/order information.
- Customers should provide a complete and accurate shipping address and accept delivery.
- If an item arrives defective or differs from the order, customers are directed to follow the applicable Daraz return process rather than reject delivery solely for that reason.
- Delivery, shipping and rejection rules can vary by order and product.
