Important: This is a concise knowledge-base summary generated from the public Daraz Pakistan source page. It is not an official Daraz-issued PDF and should not replace the live source.

- Eligible refunds depend on the return/quality-check process and the selected refund method.
- Daraz states that shipping fees are refunded along with the returned product amount when applicable.
- Published refund timelines vary by payment method; examples include card refunds in working days and Daraz Wallet refunds that can be much faster.
- Failed/false-delivery prepaid orders can have different refund timelines from ordinary returns.
- Refund rules can change, so the official policy page should be treated as the current source.
